

PUBLIC SERVICE ANNOUNCEMENT

Dear Sir or Madam:

The Borough of Bound Brook requests you take a moment and place one or more of the attached flyer in a high traffic area, where those you serve may gather or pass through. Furthermore, feel free to make additional copies and share this information with those you serve via a mailing, in a group setting or one-on-one as well.

The Bound Brook Home Improvement Program is a wonderful opportunity for Bound Brook homeowners in the low and moderate income brackets to obtain financial assistance for needed home repairs via a zero percent ten-year forgivable loan. There is no fee to apply, no monthly payment and the loan is forgiven if the homeowner maintains occupancy and title for the following ten years. If a homeowner sells and/or transfers title within the ten-year period, the full amount is due upon transfer of title with no interest charged.

To qualify for the program, the total gross annual income for all household members must be within the income limits listed in the enclosed flyer. All applicants' names and personal information will be kept strictly confidential.

Please do not hesitate to contact the Program Case Manager, David Landri of CGP&H, at 609-664-2783 if you would like additional program promotion material or if you have any questions regarding our home improvement program.

Thank you on behalf of the Borough of Bound Brook for spreading the word about this worthwhile program.
