The investigation shall include, but shall not be limited to the following:**
- 1) The experience of the applicant in the business of purchase and sale of those articles or goods referred to in Subsection 4-25.1A above, although nothing in this section shall be construed to warrant denial of a license solely on the basis of lack of experience;**
 - 2) The reputation of the applicant for fair dealing in the community, which shall be made among credible sources, which sources shall be disclosed to the applicant in the event of a denial of any license;**
 - 3) Any criminal record of the applicant, including any past convictions for any crime(s), disorderly persons offense(s), or municipal ordinance violation(s) within this or any other jurisdiction. The Chief of Police may, as part of the application process, require a fingerprint criminal background check through the Federal Bureau of Investigation, Criminal Justice Information Services Division, which may require an additional fee from the applicant.**

This section shall not be construed to require denial of any license solely on the grounds that the business is not at a fixed location or that the applicant is a Transient Buyer or Itinerant Business, however applicants who fall under the category of a Transient Buyer or Itinerant Business must state with specificity on the license application the business address where transaction records required by Subsection 4-25.4 of this Section 4-25 will be stored, as well as the location where purchased goods will be retained during the mandatory inspection period required under Subsection 4-25.4.**

Any recommendation of the Chief of Police shall be in writing and, in the case of a recommendation of denial, shall state fully and specifically the reasons for said recommendation. - D) Grounds for recommending denial of license may include reliable information indicating that the applicant has in the past engaged in fraudulent or deceptive business practices in a business identical to or similar to a Dealer in Secondhand Goods. A license may be denied if the investigation reveals a conviction of the applicant or any of its principal officers or employees of any crime(s), disorderly persons offense(s) in which deceit or misrepresentation is an element; or any conviction of any crime(s), disorderly persons offense involving theft or the receiving of stolen goods, regardless of whether the applicant was a principal, accessory before the fact, after the fact, or a co-conspirator; or any prior municipal ordinance violation(s) by the applicant or any of its principal officers or employees in this or any other jurisdiction. A license may be denied if the applicant fails to demonstrate an ability to satisfactorily comply with the electronic reporting requirements specified in Subsection 4-25.4, the retention and inspection requirements of Subsection 4-25.4, or any other portion of this Section 4-25. Upon receipt of the recommendation of the Chief of Police, the Municipal Clerk shall issue or deny the license accordingly, contingent upon the receipt of a bond as required by Subsection 4-25-6 of this Section 4-25.**
- E) Whenever any application for a permit is denied, the applicant shall be entitled to a hearing before a three-person panel appointed by the Chief of Police, at which time the applicant shall be permitted to introduce such evidence as may be deemed relevant to such denial. Any applicant exercising the right to appeal must file a written notice of appeal within ten (10) days of receiving written notice of denial of a license to act as a dealer of secondhand goods.**
- F) No license shall be assignable by the Dealer.**
