Approval of the minutes from the July 25, 2018 Meeting:

Motion: Rich Second: Bev All in Favor: yes

John was questioning when the Ben Maggio Rec Center sign would be replaced on the field house. Per Doreen, she needs a quote first. He also asked about The Sam Patullo Field sign. Doreen is looking into nicer signs for both. John commended the Commission on the park. He says it's beautiful. Is there a donation needed? He will look into types if we want him to. The whole complex is the Sam Patullo Boys league complex and would like to see the sign put back up. Doreen would like a larger sign for the field house. The commission is planning on funding the signs but would appreciate John's input.

Directors Report:

Pool: Pre registration money was up but other money was down. Visitors' passes were down because of the bad weather. Exit interviews: Only complaints were not having food and no events for the kids.

A Facilities Meeting was held on August 21, 2018.

Insurance claim status: \$7,200 was received. It will not cover all repairs.

Pool repairs: baby pool filters not working efficiently. Two more filters may be needed.

Tennis court repair: To caulk the 120' of cracks and 300' of sawcut joints would be \$750. Based upon experience, Bob feels that this a waste of money as the cracks will open back up within a year since the asphalt will continue to move.

A more expensive alternative would be to install an “armor crack repair”. Per Bob this system seals and hides the cracks with a repair tape. You will see the repairs but the cracks will be gone. 120’ Crackx\$35/LF = \$4200; 300’ Jointsx\$35/LF = \$10,500. Should have been repaired correctly while it still under warranty. Should not have been caulked. Send the info to legal. We’ve already paid \$300,000 to have the new courts put in. Should we get a 2nd opinion?

Codrington Park: problem with ponding in the middle. Needs to be fixed.
