DIRECTOR'S REPORT:

Met with Hector last week to discuss permits and lease. A meeting needs to be set up with lawyer. Building issues – punch list: water in closet and outside problems. We need to see how we can move forward. Nothing has been done at Tea Street. There still needs to be a conversation with Little League to discuss the lease. There have been no conversations with Zoned. There was someone on the Tea street field around -10:30 last night. The lights were still on. Little League has given a home field schedule to Doreen. We should contact Mike to find out who was using the field.

CODRINGTON PARK:

Tennis Court Project: moving along – same contractor did the basketball courts. Project started May 9<sup>th</sup>.

Playground – bubble broken on equipment. It needs to be replaced.

DIRECTOR'S REPORT:

Spoke with MRC – possible splash park. They are going to present a design to determine cost. It would fit near the big pool grassy area. They will present numbers next week. We will look into grant.

Codrington fields money has been approved. We cannot start moving forward on project until all options have been looked into. A grant request was put in with US Soccer for turf field early last week.

Pool Staff: 10 not returning. There are still employment opportunities. There is enough staff right now. Only 1 person returned for gate guard position.

Carnival: The walk through before looked good. The walk through after showed pretty sad conditions. Pictures were taken before and after. There are a lot of ruts and bare grass after. The firemen have a week to clean it up and fix it and then our guys will fix any other problems and submit a bill to fire co.

Per High Tech there are new plantings and money is needed to extend mulch bed around trees

Summer Schedule - Add event nights, DJ'S and pony rides. The staff will set up events

COMMITTEES:

Pool Registration: Dates Pre-Registration: May 19, 7 P.M. to 9P.M. and May 21, 10 A.M. to Noon. June 2, 7 P.M. to 9 P.M. and June 4, 10 A.M. to Noon

Facilities: Ben Maggio Field House and the pump house got facelifts.

New business: A resident behind Smalley concerned about balls going into yard. Need to do a walkthrough West Field.

The Rotary Club has donated money for the Bocce ball courts in pocket park.

It would be nice to put a skate park in the little park near rock machine.
