

August 22, 2018 Bound Brook Recreation Commission Meeting

Guest: John Maggio

Was questioning when the Ben Marrio Rec Center sign would be replaced on the field house. Per Doreen, she needs a quote first Also what about the Sam Patullo Field

Doreen is looking into nicer signs made up and needs to get the sign up. John commended the commission on the park. He says it's beautiful. Is there a donation needed? He will look into if we want him to. The whole complex is the Sam Patullo Boys league complex and would like to see the sign put back up. Doreen would like a larger sign for the field house. The commission is planning on funding the signs but would appreciate John's input.
