

POLICY #6: ACCIDENT/ INJURY PROCEDURES

Purpose: To establish guidelines to ensure the safety of all recreation participants, and to address any accident or injury in accordance with the Rutgers Youth Sports Clinic Guidebook.

Scope: These guidelines apply to all recreation-sponsored activity coaches and advisors, as well as all parents of anyone participating in any capacity of any recreation-sponsored activity.

Requirements / Instructions:

1. Both the coach / advisor and the parent / guardian will be responsible for the following:
 - a. Contact the Recreation Department immediately of an accident or injury.
 - b. Accident reports, provided by the coaches, are to be completed by the coaches and parents within 48 hours of the accident.
2. Coaches are required to have stocked medical kit at all practices and games.
3. Coaches are required to follow the Rutgers Youth Sports Clinic Guidebook when dealing with accidents and injuries.
