Report of Standing Committees-

Facilities – Joe Rodriguez

We compiled a list of action items from each park that needs to be addressed.

Codrington Park:

Grass field needs to be top dressed and seeded. Plan for the fall

Blacktop to be fixed and possibly move the position of the court. Set up a meeting with Dale and Hector about the pool.

Broken bleachers were taken care of and removed from the park.

Tea Street:

The soccer court at the site has been an issue with parking, behavior and scheduling. I would like a discussion on how this site functions.

Bleachers are in the process of being ordered for all fields. DPW will break down and remove the old bleachers.

Portable mound for the major field, softball building to be painted. Opening the concession stand.

Electrical behind the minor field and the GFI on the major fields needs to be addressed.

Billian: Batting cage at Billian seems to be fixed and working. Still want to look into replacement.

Look into a dugout structure, rebuild the field, extra playground equipment.

Our 2 goals for the year: address the green acres issue at Billian; communication between recreation and the borough.

Report of Special Committees-

Director's Report –

Old Business- Maria asked if the coaches' kids should get free registration for their kids. Muti child discount. Can this be used as an incentive to get coaches to join. Ref fees are going up in the fall. We should look into raising registration fees.
