

BOUND BROOK POOL RECONSTRUCTION Coming Soon!

The redesign of our new community pool will include:

- dedicated lap section with six competition-length swimming lanes
- children's area with play structures including spray features and a dump bucket
- a towering, 15 feet spiral slide!
- new landscape design, featuring native plants, that adds more green space to the park

Borough Council

Recreation Commission

Engineer

Brandstetter Carroll, Inc.

Contractor

All State Technology, Inc.

This project was developed with assistance provided by the Somerset County Board of County Commissioners through the County Open Space Preservation Trust Fund Recreation Grant Program.
