Tips to navigate the Community View of our Urban Forest:

Green = Tree information including genus, species, and common name

Brown = Stump

Blue = Vacant Planting Site

In the upper left corner, type your house number and street name in the oval white box to find your home and trees near your residence.

Zoom in and out using the + or - in the lower right corner of the map.

An inventory of Bound Brook's shade trees, trees planted along the streets, was conducted in 2022 by Arborpro USA. The inventory was funded by a grant from the NJ Urban and Community Forestry Program

- A few streets are not included in the inventory at this time, but will be in the future.
- Updates to the tree inventory are made on an ongoing basis, but the inventory may not reflect all changes to the town's tree urban forest.
- Pictures are generated by Google Maps and are updated by Google from time-to-time.
