The total number of referrals received for the month of April 2024 was 37, with 28 referrals coming directly from BBPD and 9 from community sources. The breakdown of referral categories is as follows:

1. Domestic violence: 12
2. Housing/food: 04
3. Mental health: 06
4. Substance use: 07
5. Youth: 07
6. Aging: 01

All referrals were diligently contacted at least twice. Additionally, 23 out of the 37 referrals were successfully contacted and connected to the appropriate resources or services based on their immediate needs. This month's highlights include advocating for a resident to continue with long term treatment and providing referral for family therapy.

I Attended the 2024 National Association of Social Workers conference: Life in a Traumatic World, which allowed for networking opportunities, exposure to the latest research and trends in social work, skills development through workshops, and an opportunity to engage with experts in the field to better serve the residents of Bound Brook
