The nurses were just told that our contract with the Community VNA was not renewed for this year so we cannot send students to them anymore. They told us we have to use Zufall Health now. The Community VNA was a very good resource for us because a lot of our families are not insured and Zufall charges on a sliding scale

Church Kitchen Ordinance

For the purpose of Subsection D(3), a "temporary retail food establishment" shall be defined as any establishment which operates at a fixed location for a temporary period of time in connection with a fair, carnival, circus, public exhibition or similar transitory gathering, including church suppers, picnics or similar organizational meeting, as well as agricultural markets conducted on a regular basis.

(4)

Infrequent retail food establishment:

(a)

Sporadic Agricultural markets, covered dish suppers or similar types of infrequent church or nonprofit-type institution meal service shall be exempt from having to procure a license as required by § 138-4, provided that all requirements of N.J.A.C. 8:24.1 through 8:24-8.12 are met.

Will discuss how Church kitchens are renting out space to commercial kitchens. Church kitchens have to be licensed and inspected. Grease traps are inspected
