

COVID-19 Standards for Patrons

- Shoes are required when walking around the pool deck area and in the bathrooms.
- A mask is required on your person to enter the pool facility
- Patrons must stay home if experiencing any COVID-19-like symptom. (Cough, fever of 100.4 or more, shortness of breath being the most common.)
- Due to Covid-19 we are subject to 50 percent capacity
- Patrons must sign in to facilitate potential contact tracing efforts.
- Hand washing with soap and warm water for 20 seconds is highly encouraged and recommended.
- Sanitizer pumps will be implemented throughout pool deck; patrons are encouraged to sanitize hands frequently especially after touching high-touch surface areas.
- Patrons must practice social distancing at all times.
- If patrons' social distancing cannot be maintained, masks are encouraged only outside of the water.
 - No one is allowed to wear a mask while inside the pool.
 - No child under 2 years old may wear a mask.
- Patrons will need to bring their own chairs or lounge chairs, highly encouraged not to share personal belongings to limit cross contamination.
- Due to COVID-19 restrictions, it may be required for our staff to enforce time limit on patrons' stay.
- Any signs of COVID-19 for staff or patrons must be reported to designated COVID-19 Contact Personnel, the Park Director, whom will notify the Recreation Director and Police.

On all decisions for the safety of patrons, Bound Brook Park Pool Staff has absolute authority.
